

AGENDA

IV FlexSimposium PL 2016, September 20th 2016

Silesian University of Technology, Education and Congress Centre, ul. Konarskiego 18 B, 44-100 Gliwice, Poland

09:30 - 10:00		Registration of participants
10:00 - 10:15		Opening Ceremony dr hab. inż. Anna Timofiejczuk, prof. nzw. w Pol. Śl. dr Witold Aleksander Cempel
10:15 - 10:35	EN	Making Simulation Projects Successful prof. dr inż. Allen Greenwood
10:35 - 10:55	PL	Effective process measurement, idea for improvement, decision to implement. How to do it efficiently and with the least risk? Kamil Radom
10:55 - 11:15	EN	Spreadsheets and simulation ing. Dirk Jan Moens
11:15 - 11:30	PL	Method of automatic generation of simulation models supporting the integration of production planning systems with simulation systems dr hab. inż. Damian Krenczyk
11:30 - 11:55		Coffee break
11:55 - 12:10	PL	The modern design of logistics processes dr hab. inż. Paweł Pawlewski, prof. nadzw.
12:10 - 12:30	PL	Modeling and simulation of manufacturing processes. A brief overview of successful projects mgr inż. Dawid Dąbal
12:30 - 12:45	EN	Simulation of plastic parts production process ing. Milan Kaštan, Ph.D.
12:45 - 13:00	PL	FlexSim simulation model of production line section and logistics route Adrian Michalik
13:00 - 13:15	PL	Streamline logistics processes using SMART RFID and FlexSim simulation software dr inż. Karolina Kozłowska
13:15 - 13:45		Coffee break
13:45 - 14:45	PL	Modeling workshops in FlexSim simulation software
	PL	Sightseeing of laboratories - Faculty of Mechanical Engineering, Silesian University of Technology
14:45 - 15:45	EN	Modeling workshops in FlexSim simulation software
	PL	Sightseeing of laboratories - Faculty of Mechanical Engineering, Silesian University of Technology
15:45 - 16:00		Closing ceremony and prize draw

FlexSimposium connects the business world with the scientific community. This philosophy is expressed through careful selection of speakers and the institutions that they represent.

dr hab. inż. Anna Timofiejczuk, prof. nzw. w Pol. Śl.	Dean of the Faculty of Mechanical Engineering, Silesian University of Technology
dr Witold Aleksander Cempel	Director, Cempel Consulting, Krakow
prof. ing. Allen Greenwood, Ph.D.	Mississippi State University, Poznan University of Technology
Kamil Radom	Institute for Manufacturing Excellence (IDP), Gliwice
ing. Dirk Jan Moens	Owner & Principal Consultant Talumis B.V. Optimization Through Simulation, The Netherlands
dr hab. inż. Damian Krenczyk	Faculty of Mechanical Engineering, Silesian University of Technology
dr hab. inż. Paweł Pawlewski, prof. nadzw.	Poznan University of Technology Simulation and Optimization Managing Partner, Cempel Consulting, Krakow
mgr inż. Dawid Dąbal	FlexSim Program Director, Cempel Consulting, Krakow
ing. Milan Kaštan, Ph.D.	Managing Director Assistant, MEPAC CZ, Ltd., Czech Republic
Adrian Michalik	FCA Powertrain Poland Sp. z o.o.
dr inż. Karolina Kozłowska	CEO, Smart Technology Group Sp. z o.o., Krakow

Please register your participation with: <http://flexsim.pl/flexsimposium-en/>

Cordially welcome!
